

Whiringa-a-nuku 2022

SPINOFF ARTICLE

Featured in this month's newsletter is an article from The Spinoff that gives a useful insight into the reason why Māori sit on both sides of the pine forest debate including a clever metaphor for government policy on climate change - a tangled mess of old cords.

ETS SEMINAR, TAUPŌ

In September the second of Whenua Oho's ETS seminars for Māori landowners was held in Taupō. As with the first seminar in Rotorua, it was pleasing to see the level of engagement from attendees. Of particular interest was the focussed section on monetising carbon credits. Stay tuned for information about our next ETS seminar coming soon.

OUR VISION STATEMENT

He whakaoho i te whenua ki ngā hua o Tāne, kia toitū a Papa, kia whai oranga mō te iwi, mā te iwi me ngā uri whakatipu

TE WHARENUI O TUTEATA

Whenua Oho is very fortunate to be based at the new Scion building in Rotorua, Te Whare Nui o Tuteata. Tuteata is the common ancestor of the three hapū who are the tangata whenua of the land where the building stands: Ngāti Hurungaterangi, Ngāti Te Kahu, Ngāti Taeotu.

FIELDAYS 2022

Whenua Oho is pleased to announce that we will have a stall in the Forestry Hub of Fieldays 2022. If you're attending, look out for us and stop in for a chat.

Event: Fieldays 2022

Date: 30 November-3 December.

Venue: 125 Mystery Creek Road, Hamilton.
